The Office of Student Activities

The Office of Student Activities (OSA) is the center of extracurricular life on campus. The OSA sponsors activities and services for the university community including art exhibits, cultural performances, lectures, live concerts, films, College Bowl competition, outdoor recreation, leadership development, and volunteer activities.

The OSA serves as the communication and registration headquarters for over 400 student organizations, providing program development assistance, interpretation of university rules and regulations, special event forms, campus banner permits, and mailbox service.

Students interested in becoming involved in our programs can contact any of the following offices for further information:

Gators Involved in Volunteer Endeavors (GIVE)

Room 300 / 392-1655

GIVE is an organization for UF students, faculty, and staff who care. Committed to community service, our mission is to increase volunteerism at UF through group community service projects, referrals, education, and resources.

Leadership Education and Development (LEAD)

Room 330 / 392-1655

LEAD provides opportunities for leadership development for UF students, in the form of seminars, workshops, classes, printed materials, and experiential activities.

Reitz Union Program Council (RUPC)

Room 330 / 392-1655 or 392-RUPC

A student-run programming council consisting of eight committees staffed by over 150 volunteer students, which select, plan, coordinate, and promote a variety of cultural, social, and educational events for UF students and the UF community.

RUPC's programs are chosen and programmed by students with assistance from professional and graduate staff advisors, through eight standing committees: Arts, College Bowl, Entertainment, Film, News & Views, Publicity, Special Events, and Summer RUPC. Innovative, motivated, and enthusiastic students have fun, develop leadership skills, and meet interesting people while presenting programs which are planned to address many campus needs: multicultural and cross-cultural, non-traditional and traditional.

Spinal Tech

Room 330 / 392-1655

Student-run support crew providing technical assistance in projection, lighting, and sound for events occurring in and around the Reitz Union, as well as other locations around campus. The Spinal Tech crew of student technicians and crew chiefs is fully trained, and a wide variety of sound and lighting equipment is available.

Travel & Recreation Program (TRiP)

Room 331 / 392-1655

One of the largest outdoor programs in the nation, TRiP designs, organizes, and leads adventure-based and leisure-based trips structured to promote activity skill development and an appreciation for the surrounding environment. Independent trip planning assistance and information planning also provided.

TRiP leaders are trained in various leadership techniques and skills conducive to outdoor pursuits. TRiP experiences may better prepare participants mentally, emotionally, and socially for the challenges of everyday life.

Student Activities Center

Room 300 / 392-1671

SAC provides office space for 33 student organizations, including but not limited to Student Government, Florida Blue Key, Student Senate, Student Government Productions, Interfraternity Council, Panhellenic Council, National Pan-Hellenic Council and Accent.

SAC maintains information on over 400 registered student organizations and provides students free use of typewriters.

Board of Managers

The Board of Managers is one of two University-wide standing committees chaired by a student, with a voting student majority. This presidentially appointed committee is comprised of eight voting student members, four alternate student members, and six faculty members.

The Board oversees policy changes and budget administration for all of the Reitz Union's services and programs. The Board also allocates student organization office space in the Student Activities Center on the third floor of the Reitz Union.

The five sub-committees of the Board are: Long Range Planning, Marketing & Finance, Policy, Program, and Space.
